Information continues on the reverse side of this sheet.

Note: Initial admission to the performance degree is by audition at the second semester jury of the freshman year. Final acceptance to the program is by audition at the second semester jury of the sophomore year. At that time, you must declare your intention through Athena.

PLEASE NOTE:

- Students are required to take 1 hour of PEDB that is not included in the total credit hours.
- All UGA students must fulfill Core Requirements, University-wide degree requirements, and both a Multicultural Literacy and Environmental Literacy requirement in addition to the requirements for their majors. Please visit the student section of the Franklin College website (www.franklin.uga.edu/students/index.htm) to view these extra requirements. Bear in mind that only courses at the 1000 or 2000 level satisfy the Core.
- Bachelor of Music candidates with a major in Performance are expected to satisfy the requirements of Franklin College in addition to the University Core Requirements, as listed on the Franklin College website, <http://www.franklin.uga.edu/students/grad/require.htm>.
- A total of 39 upper division hours (3000 and above, academic and/or music) is required for graduation.
- This Program of Study is only a reference. You and your advisor should use it in conjunction with the online UGA bulletin for the most current listings of courses, descriptions, prerequisites, and preferred or recommended courses for each category.
- All music students are required to pass a piano proficiency exam, including keyboard majors.
 - Non-Keyboard concentration: Successful completion of MUSI 2530 (fourth semester of class piano) or the piano proficiency examination. Four semesters of Piano Class (MUSI 2500, 2510, 2520, 2530) fulfills both the piano proficiency and the secondary applied requirements.
 - Keyboard concentrations should enroll in MUSI 3470 or officially challenge the course.
- Keyboard majors traditionally take Voice Class (MUSI 2400, 2410, 2420, 2430) for their secondary applied instrument credits. Other options can be explored with the student's advisor.
- For a complete list of large and small ensembles at the University of Georgia, visit the Ensembles page on the School of Music website. Some of these groups require an additional audition.

Footnotes to Course Checklist:

- * ENGL 1103 fulfills the Multicultural requirement.
- # Environmental Literacy requirement may be satisfied by taking a course from a list of approved courses. See Bulletin.
- + Students who have not met the Georgia and U.S. Constitution requirement by examination should enroll in POLS 1101.
